**HEY
BOO!!**

No tricks, no sweets,
just pages to keep—
a spooky bookmark
for stories that creep!

○

This corner treat
won't rot your teeth—
it guards your page
with ghostly wreath!

○

A haunted corner
to mark your read,
the best Halloween
treat indeed!

○

Witches cackle,
spirits too,
open a book
and read—woo-hoo!
(BOO!)

○

No sugar here,
just stories true,
a corner to keep
your place for you!

○

**Trick
or
Treat!**

Candy fades,
but tales shine
through—
the sweetest treat
is a book (or two)!

○

Forget the candy,
take a look—
the magic lives
inside a book!

○

A ghostly friend
to read with you,
this little treat
just shouts out—
BOO!
